Michigan Office Solutions to Host Wish List Drive with Grand Rapids Griffins to Benefit Kids' Food Basket

Grand Rapids, MI – Michigan Office Solutions is teaming up with Kids' Food Basket and the Grand Rapids Griffins to host a Wish List Drive on Saturday, April 8 at Van Andel Arena before the Griffin's home game against the Cleveland Monsters at 7 p.m.

Michigan Office Solutions staff will be collecting items for Kids' Food Basket outside the Van Andel Arena starting at 6 p.m. Kids' Food Basket's Wish List includes: toasted oat cereal, cheese crackers, pretzel twists, cracker packs, granola bars, fruit cups, and snack-size zipper lock bags. Meijer has donated a pallet of toasted oat cereal that will be available for purchase to donate to Kids' Food Basket the night of the event.

"We can't have strong communities without strong kids. Sack Suppers are a direct service that meets a critical need: ensuring children have access to the good nutrition they need to learn and live well. As a 100% charitably-funded program, we absolutely couldn't provide Sack Suppers without the support of community partners like Michigan Office Solutions. We're so grateful for their support and commitment to our community's kids," Bridget Clark Whitney, Executive Director, said.

Kids' Food Basket serves nearly 7,500 kids at 42 schools in Grand Rapids, Muskegon and Holland. More than 240 volunteers each day help prepare, pack and deliver Sack Suppers, a well-rounded evening meal that provides nutrition critical to the development of the brain and body.

"Michigan Office Solutions (MOS) is honored to be a part of this Wish List Drive for Kids Food Basket with the Griffins and Meijer," said Ralph Slider, President of MOS. "For over 60 years, Michigan Office Solutions (MOS) has supported communities throughout the state of Michigan. I am greatly humbled by the dedication of our employees to uphold our MOS company values as responsible corporate citizens. The children of Kent County need our help and MOS is fortunate enough to be in a position to provide that help!"

Kids' Food Basket is a nonprofit organization empowering communities to attack childhood hunger. Through the Sack Supper program, kids get well-balanced evening meals, filling a gap that schools and families often can't meet.
