## **Paul Hartley named new President of Michigan Office Solutions**

Grand Rapids, MI – October 27, 2017 – Firmly rooted in tradition with an eye on the future, Michigan Office Solutions (MOS) has announced the appointment of Paul Hartley as the new president of Michigan Office Solutions. Mr. Hartley will assume his new responsibilities immediately and will succeed Ralph Slider.

Mr. Slider has been promoted to the position of Senior Vice President of Field Operations with Global Imaging Systems, Inc. (GIS). He will continue to work with MOS in addition to other GIS companies throughout the nation. “I couldn’t be more pleased about Paul taking over the helm at MOS. I am confident that his accomplished career experience will complement our established leadership team and help guide MOS into our next phase. Paul’s passion for people, process and customers compliments the MOS culture” – Ralph Slider, SVP of Field Operations with GIS.

“I am greatly humbled and honored to follow Ralph into the role as president of Michigan Office Solutions. MOS is a dynamic organization that Ralph has successfully evolved to meet the demands of an ever-changing business environment. I am looking forward to building on his success of MOS through connecting with our customers, continued dedication of our employees, and supporting our communities”. – Paul Hartley, President of MOS. Hartley continued, “This is an exciting time for MOS. It’s not often you can be a part of a company with such long heritage and record of success.”

Mr. Hartley’s career spans many years of sales management, business management and executive experience. He has previously held significant roles with Xerox to include; Senior Vice President and Managing Director of Constituent and Government Software Solutions, Chief of Strategy, Vice President of Acquisition Operations, Managing Director of Healthcare Recovery Service, Senior Vice President of Business Transformation and Senior Vice President & General Manager. While serving as Vice President of Acquisition Operations, Paul played an integral role in the acquisition of GIS by Xerox and was in charge of the Integration Office to ensure a smooth transition.

Mr. Hartley is a graduate of Youngstown State where he earned a Bachelor of Engineering degree. He also holds a Doctorate of Philosophy degree in Chemical Engineering from Carnegie Mellon University. His wife Robin is a Michigan native, both are excited to be moving back to her home state where they have several family members. Paul and Robin have two adult children currently living in Michigan and Connecticut.
