## Michigan Office Solutions ranks among one of the Nation's Best and Brightest Companies to Work For™ in 2016

Grand Rapids, MI – December 20, 2016 - The [National Association for Business Resources](#) has named Michigan Office Solutions (MOS) as one of the [Best and Brightest Companies To Work For™](#) in the country. MOS has already been named 101 Best and Brightest Companies To Work For™ in West Michigan and Metro Detroit along with Best and Brightest Sustainable Companies®.

The Best and Brightest Companies to Work for™ competition identifies and honors organizations throughout the nation that display a commitment to excellence in their human resource practices and employee enrichment. The 2016 winning companies were assessed by an independent research firm which reviewed a number of key measures relative to other nationally recognized winners. Organizations were assessed based on categories such as communication, work-life balance, employee education, diversity, recognition, retention and more.

"I could not be more proud of our employees who make MOS a great place to work. To be honored nationally solidifies our belief that it isn't just about the work, it's about how we all work together," - Ralph Slider, President of MOS. Slider continued, "This award validates the MOS business objective of hiring local talent and providing a culture that will allow each individual to develop their skills, knowledge and expertise which translates to a world class customer service experience for our clients."

The NABR, established in 1996, fosters a collaborative environment in which companies and leaders learn best practices, trends, and vital information benefiting the company and its employees well beyond the finances. Through the Best and Brightest programs, the National Association for Business Resources provides specialized business services, education and resources for businesses throughout the United States.
