Michigan Office Solutions (MOS) is giving away \$50,000 in office technology equipment to deserving nonprofits

DETROIT, MICHIGAN (March 20, 2017) – As part of its 60th Anniversary, Michigan Office Solutions (MOS) is inviting nonprofits in the Metro Detroit Area to enter the 3rd annual MOS ***Make My NonProfit Run Better*** contest. The main goal of the contest is to provide nonprofit organizations in Metro Detroit the opportunity to raise awareness for their nonprofit organization. Along with a chance to win the grand prize of an office technology makeover valued at up to \$20,000. The first runner-up will receive office technology equipment valued at up to \$15,000. The second runner-up receives office technology equipment valued at up to \$10,000. The remaining two finalists will receive \$2,500 in Xerox product. MOS will work with the winning organizations to conduct a MOS 360° Assessment. This process will help MOS professionals to understand the organizations current environment. Together, we will co-author solutions and provide Xerox tools to help the organizations run better, more efficiently, improve sustainability and employee productivity. MOS professionals will educate and continue to work with the organizations as they change and grow to support the needs of their constituents.

“In working with nonprofits we realize how hard it is for them to raise awareness let alone, find the money to purchase, install and manage office equipment and technology,” said Ralph Slider, President of MOS. “It is a privilege to be able to host this contest and bring awareness to the needs of the community. This is our way of thanking nonprofit organizations for all the hard work they do in providing charitable services to our communities.” MOS has a commitment to assist in serving the needs of people in the communities that we operate in. Fundamental to this commitment is the role MOS serves as a responsible corporate citizen. “As our company continues to grow, we look forward to continuing our commitment to the Metro Detroit area with this contest.” said Slider.

“Southwest Solutions is grateful to Michigan Office Solutions for their commitment the work of our community’s non-profits. MOS’ gift to Southwest Solutions allowed us to upgrade the Print and Computer Center at our Piquette Square for Veterans, **making a real impact on the lives of formerly homeless veterans.**” – Steve Ragan, Senior Vice President of Development and External Relations at Southwest Solutions. Focus:HOPE of Detroit was the grand prize winner in 2015. “When companies like MOS come up with a creative way to participate, offer **real product with real**

value....The offer of equipment and consulting services is extremely vital to the nonprofit sector.” – William Jones, CEO of Focus: HOPE.

MOS is inviting all 501(c)(3) nonprofit organizations in the Metro Detroit area to participate (for a detailed list of qualifying zip codes and criteria please visit <http://www.mos-xerox.com/Detroit>). Nonprofit organizations may enter the MOS **Make My NonProfit Run Better** contest at www.mos-xerox.com/Detroit. Registration for the contest is now open and will close at 5 p.m. on April 10. MOS will then ask the public to go online and vote for the nonprofit they think has the biggest need for an office technology makeover.

MOS is partnering with Local 4 Click on Detroit, The Detroit Red Wings, The Detroit Lions and the Detroit Pistons for this year’s 2017 **Make My NonProfit Run Better** contest. For more information about the contest please contact Shelly Bernecker, MOS Director of Marketing at 616-785-7866.
