

Xerox® Audio Documents App

Get your content on the go.

Audio Documents

Text in. Audio out.

With the Xerox® Audio Documents app on your ConnectKey® Technology-enabled multifunction printer, you can transform hard copy content into an audio file. Get easy access on the run or listen when and where you want.

Top 3 Reasons

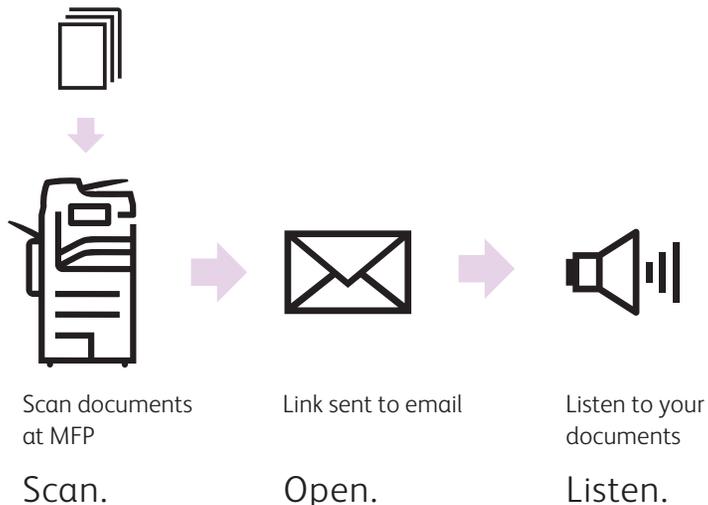

why people enjoy listening to audio content:*

- Multitasking
- Portability
- Enjoy being read to

*Education at a Glance 2017—OECD Indicators, iLibrary, OECD Publishing

A NEW WAY TO WORK

Added convenience for every person, department or business.

With today's increasingly mobile workforce, the way we consume information is changing. Now you can instantly create audio files from hard copy documents. Whether you are a multitasker or simply prefer listening to your content—just scan, go, and listen wherever, whenever.

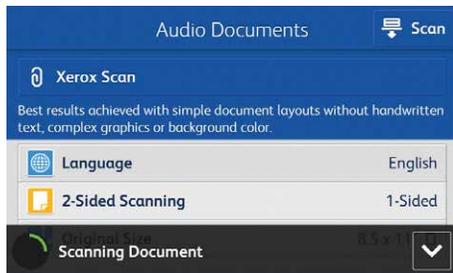

Pop in your earbuds and unleash productivity.

Audio Documents

With the Xerox® Audio Documents app, you have a new productivity tool for road warriors, busy commuters, multitaskers and audio enthusiasts. Ditch that pile of paper and quickly regain lost work time—no matter where you are. Optimize your work effort on the go, or simply rest your eyes and let your ears do the work.

Scan.

Open the app, enter your email, source language, settings and scan your document.

Open link in email.

An MP3 link is instantly sent to your email.

Listen to your file.

Just like an audio book, listen to your documents instead of reading them.

Your workplace assistant is ready and waiting.

Streamline workflows and tame complex processes in any office setting with Xerox® ConnectKey® Technology-enabled devices and apps for your workplace assistant.

Xerox® Audio Documents app supports document submission in English, French, Spanish, German, Italian and Brazilian Portuguese for every person, every industry.
