CapturePoint® for Your Workplace Assistant

Transform paper-based data into actionable information.

CapturePoint App

Hard copy in. Usable data out.

How many times have you had to recreate hard copy data from ledgers, tables or text to edit or reuse it? With CapturePoint on your workplace assistant, you'll save time and create usable, searchable, shareable data from hard copy documents.
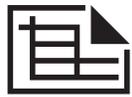

36% of staff time is spent dealing with admin tasks.*

Fast, secure and ready to transform one of your most time-consuming— yet critical—tasks.

With cloud-connected CapturePoint, you can securely scan and convert paper to searchable PDF, Microsoft Word or Microsoft Excel documents in English, French and four other languages. Instant, actionable results are shared directly to email or any cloud-connected storage service like Dropbox™, Google Drive™, Microsoft SharePoint® 365 and many others.

xerox

There's data trapped in your paper documents. Set it free.

CapturePoint App

CapturePoint® turns your Xerox® workplace assistant into the world's fastest transcriptionist with its ability to transform even data-heavy hard copy tables into searchable PDFs and Microsoft® Office editable formats. No training—or typing—required.

Digitize

Scan any document—duplex or single-sided—even data-heavy tables and spreadsheets in English, French, Spanish, Italian, German or Portuguese.

Transform

Output to searchable PDF, or editable Microsoft Word or Microsoft Excel®. Send to email, fax or share to your cloud service of choice.

Repurpose

Static information—once trapped in paper—is now ready to reformat, reuse or repurpose.

Your workplace assistant is ready and waiting.

Streamline workflows and tame complex processes in any office setting with Xerox® ConnectKey® Technology-enabled devices and apps for your workplace assistant.
