Xerox® Forms Manager App
Tame your paperwork with intelligent routing.

Forms Manager

Hassle-free forms submission.

With the Xerox® Forms Manager app on your ConnectKey® Technology-enabled multifunction printer, you can transform complex, paper-heavy processes. No more manually sorting, filing or collating forms. Just scan and go.

60% of small businesses still keep their important files in a filing cabinet.*

BEFORE

Print forms → Collect completed forms → Put forms and pages in order → Scan multi-page forms, one page at a time, and start again for each new form → Determine recipient for each form and email or manually move to network or cloud folder → File forms

AFTER

Print forms at the device → Scan completed forms → Intelligent routing via QR codes to defined emails

Print. Scan. Route.

Faster, easier forms submission.

QR-coded forms that know where to go—that's intelligent routing. Print all your forms via cloud storage repositories. Batch scan them once they are completed for automatic routing to the appropriate destination. No shuffling, reordering pages or individual uploading necessary.

Get your paperwork into the right hands with our intelligent routing app.
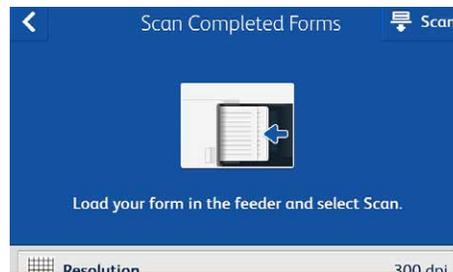

Forms Manager

With the Xerox® Forms Manager app, you'll never collect, collate and individually scan form-related paperwork again. Eliminate disorganization and repetitive tasks with QR-coded forms emailed directly to a pre-defined recipient—even if pages are scanned out of sequence. It's the biggest revolution in paper pushing since the rubber stamp.

Print and fill out.

Download forms from your cloud repository of choice (Dropbox™, Google Drive™, Microsoft® OneDrive®, Box®).

Scan in any order.

Gather your pages and scan.

Route intelligently.

A QR code on each page determines routing, page order and destination.

Your workplace assistant is ready and waiting.

Streamline workflows and tame complex processes in any office setting with Xerox® ConnectKey® Technology-enabled devices and apps for your workplace assistant.

Ideal for forms-heavy workflows in any department, every industry.
