

Xerox® Proofreader Service App

Instant access to a powerful tool to ensure accuracy and originality.

Xerox® Proofreader Service

With Xerox® Proofreader Service app on your workplace assistant, you can instantly check for spelling, grammar, style and even plagiarism, right from your ConnectKey® Technology-enabled multifunction printer.

25% of essays submitted by students in higher education are still printed and submitted on paper.*

Scan.

Proof.

Collect.

Focus on content, not corrections.

Teachers and students alike can save time and get more accurate results when working with both hard copy and electronic formats. Scan your documents directly from the device or upload to the Xerox® Proofreader Service Portal.

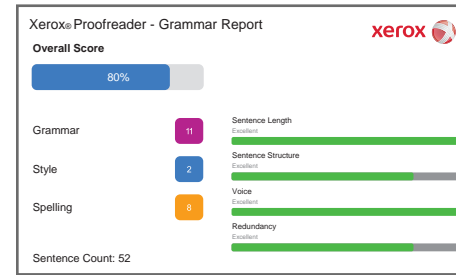

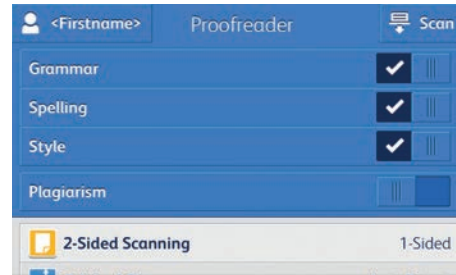

Get the basics out of the way before you even start to grade.

Xerox® Proofreader Service

With the Xerox® Proofreader Service, you can focus on content while our service takes care of the rest. Scan hard copy documents directly to the service through the MFP for instant results, or upload electronic documents to the online portal from any device. Suggested corrections and source citing can be printed instantly or retrieved from the online service.

Easy access.

Log in to your Xerox® Proofreader Service account right at the MFP. You can also access the service online at xeroxproofreader.com

Scan and proof.

Place documents on the platen or in the document feeder and select grammar and plagiarism options. (You can also upload electronic documents to the portal from your PC.)

Instant feedback.

Receive a printout of the report or an email containing a PDF detailing suggested corrections.

Your workplace assistant is ready and waiting.

Streamline workflows and tame complex processes in any office setting with Xerox® ConnectKey® Technology-enabled devices and apps for your workplace assistant.

Ideal for educators and administrators in higher education and K-12, as well as communications professionals in every industry.

- Community Organizations
