A Xerox Company

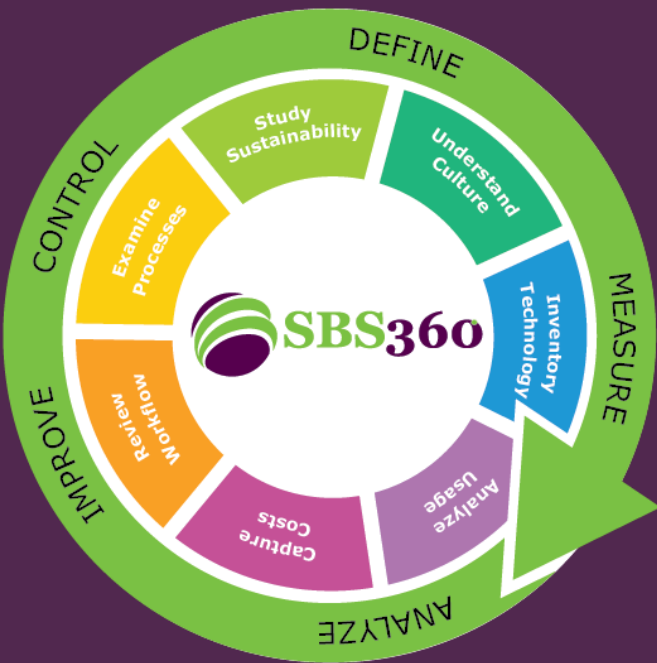

## LEGAL

# Stewart, a Xerox Company Helps Berger & Montague, P.C. Increase their Printing Technology Efficiencies Through their SBS360° Assessment

## THE CHALLENGE

Berger & Montague’s IT and outsourced staff were spending too much time managing their aging Dell printer fleet. Since toner cartridges were bought online, costs were difficult to measure with no yield consistency. End users also complained of poor print quality causing the firm to replace cartridges.

## THE SOLUTIONS

Stewart, a Xerox Company provides an efficient Managed Print Services Program which has enabled the firm to reduce burden on their IT staff and reduce cartridge and printer service costs by 30%. Stewart, a Xerox Company has worked with Berger & Montague to develop a printer refresh strategy to replace their Dell printers with more efficient HP printers with lower operating costs.

## THE BENEFITS

- Reduce burden on Berger & Montague’s IT staff
- Over 30% reduction in print operating costs
- Implemented a printer refresh strategy
- MPS Agreement flexibility
- Increased end user satisfaction

## ABOUT BERGER & MONTAGUE, P.C.

Founded over 40 years ago, this law firm protects the rights of their clients with more than 60 lawyers covering 13 distinct practice areas.

After serving as Philadelphia City Solicitor, David Berger founded Berger & Montague in 1970, pioneering the field of class actions in antitrust and securities litigation firms in the United States. Our nationally recognized and award-winning lawyers have recovered over \$22 billion for our clients and the classes they represent.

Stewart, a Xerox Company is one of the Delaware Valley’s largest and most respected business technology consultancy firms specializing in the field of digital technology. We provide insight, expertise and a consultative approach to simplify the way you use technology so that you can focus on what’s most important: your business.
