

FOR IMMEDIATE RELEASE

Thanks to Our Customers, Stewart is on the Move!

Mount Laurel, NJ (June 23, 2017) – We are excited to announce that the Company Headquarters of Stewart, A Xerox Company has moved from our previous location in Burlington, NJ to 6000 Irwin Road in Mt. Laurel, NJ 08054. This move is a result of the significant growth our company has experienced over the past ten years thanks to our customers. Our new headquarters location is over 35,000 square feet and will feature a technology center where our current and prospective customers can try out the very latest in cutting-edge office technology that Xerox has to offer. This building will house all of our administrative departments and Customer Care Center and allow Stewart to continue to grow and offer their employees the ability to continue to work in an exceptional environment.

Additionally, Stewart's Distribution and Operations department is now located directly across the parking lot on the campus at 3001 Irwin Road. This new 25,000 square foot space will allow the Operations team to streamline and efficiently organize the warehouse for better workflow and faster response to customer needs.

Lastly, we are pleased to announce that our Willow Grove, PA team has moved to our Pennsylvania Headquarters location in Center City Philadelphia. This team will continue to serve and support the communities in the suburbs outside of Philadelphia. We are excited to combine the energy, talent, and resources of these offices and create an even greater synergy in our Philadelphia location!

About Stewart, A Xerox Company: Stewart, a Xerox Company, is one of the region's largest and most respected business technology consultancy firms specializing in digital office technology. Now headquartered in Mount Laurel, New Jersey, our footprint extends to six (6) local offices in the New Jersey, Eastern Pennsylvania and Northern Delaware areas. We provide the broadest portfolio of technology and services for any size company, focusing on document driven companies and industries - from healthcare organizations, manufacturing companies, legal firms, school districts, non-profit organizations and financial service institutions.
