

# Xerox® Connect App for Blackboard®

An easier way to scan and share hard copy course materials for students and teachers.

Blackboard

Connect for  
Blackboard

## Search less. Learn more.

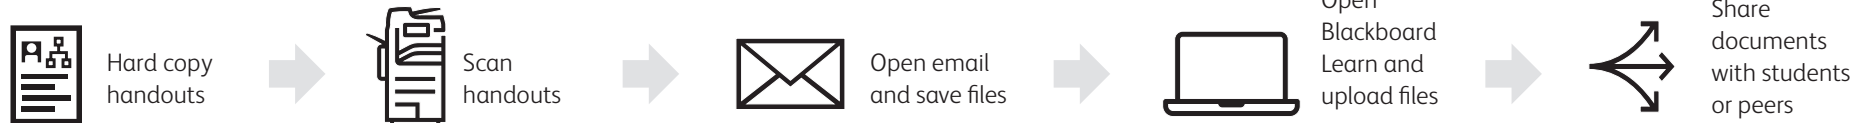

With the Blackboard app on your Xerox® ConnectKey® Technology-enabled multifunction printer, you can scan hard copy course materials directly to a course folder within Blackboard® Learn™.

**23%** of education faculty and staff in the U.S. cite “course material compilation” as among the most inefficient processes.\*

## BEFORE

## AFTER

Easy student and teacher collaboration means better learning outcomes.

Don't let valuable hard copy documents get lost in the mix; digitize and store valuable content with easy access to your Blackboard® Learn™ account at your MFP. That's all there is to it. Course material compilation is transformed from a time-consuming, laborious process to a simple tap-and-scan operation.

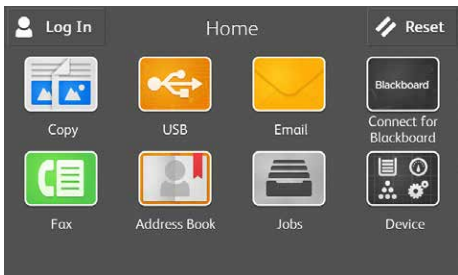

# Promote better collaboration between teachers and students with more digital documents.

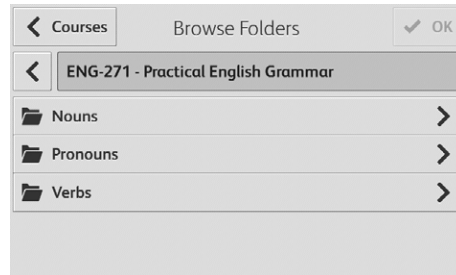

Connect for Blackboard

With instant access to the market-leading learning management system (LMS) for higher education, both teachers and students will benefit from the ability to upload and share handouts, completed assignments and other hard copy documents when and where they need them.

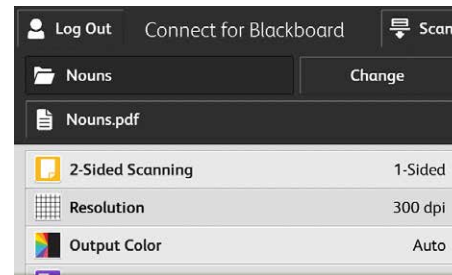

## Easy access.

Log in to your Blackboard Learn account right at the MFP.

## Intuitive navigation.

Navigate to each of your courses and course folders.

## Instant storage.

Scan and share documents or assignments.

## Your workplace assistant is ready and waiting.

Streamline workflows and tame complex processes in any office setting with Xerox® ConnectKey® Technology-enabled devices and apps for your workplace assistant.

Xerox® Connect App for Blackboard® is for use by teachers, teaching assistants and students in Higher Education with a Blackboard Learn account.
